

Diagram showing electrical connections and terminal blocks for a control system. The diagram includes three main sections: 1. Terminal blocks (13, 14, 15) with detailed wiring diagrams. 2. Connection tables (16, 17, 18, 19, 20, 21, 22, 23, 24) showing terminal assignments and component connections. 3. A detailed wiring diagram at the bottom showing the connection of various components (X04, X05, X06, X07, X08, X09, X10, X11, X12, X13, X14, X15, X16, X17, X18, X19, X20, X21, X22, X23, X24, X25, X26,
